Attestation on the Child Protection Policy

We at The Vanguard Academy firmly believe that learning is best achieved when rights and personal safety are given a premium. The school exists to educate and safeguard all community members against any and all forms of abuse, bullying, maltreatment, neglect, exploitation, and discrimination. Our ultimate goal is to foster a safe space where each one is an advocate for themselves and for others. Everyone is considered a partner in ensuring that all individuals are respected, protected, heard, valued, and celebrated. Thus, the Vanguard Academy ultimately becomes our second home and our safe haven.

The Vanguard Academy has a zero-tolerance policy of child abuse in support of DepEd Order No. 40, s. 2012, also known as the “DepEd Child Protection Policy.” We protect the dignity and human rights of every individual. All school personnel must adhere to the school’s policy and embody the school’s core values of respect, integrity, courage, and humility.

Thus, I attest that I have no past or pending cases involving matters related to child protection. I will strictly abide by The Vanguard Academy’s Child Protection Policy.

I confirm my attestation is true. I understand that I subject myself to disciplinary action in the event that my attestation is found to be false.
